In a partisan primary, voters who are affiliated with a political party may only vote in their party's primary and on any nonpartisan contests. Unaffiliated voters may choose to participate in the Democratic, Libertarian, or Republican primary or if available, may vote a nonpartisan ballot. Unaffiliated voters may not vote in the Constitution Party or Green Party primary.

Persons who are not already registered to vote in the county must register by Friday, February 7 to be eligible to vote in this election. Voters who are not registered in the county by that deadline may register and vote during onestop early voting only and will be required to provide documentation of their identity and residence. Voters who wish to change party affiliation or who have changed name or address must do so by the registration deadline. Voters who fail to timely make a change in name or address in the county must update the information when presenting to vote and may be required to vote a provisional ballot.

Voters voting in person are entitled to assistance by an election official, or, if assistance is needed due to disability or illiteracy, by a qualified person of their choice. Voting sites are accessible to all voters. Curbside voting is available for voters who are not able to enter voting sites.
